WORLD DAY OF THE SICK AND THE FEAST OF OUR LADY OF LOURDES

Thursday February 11th.

We remember those who are sick and those who care for them.

"The celebration of the XXIX World Day of the Sick on 11 February 2021, the liturgical memorial of the Blessed Virgin Mary of Lourdes, is an opportunity to devote special attention to the sick and to those who provide them with assistance and care both in healthcare institutions and within families and communities. We think in particular of those who have suffered, and continue to suffer, the effects of the worldwide coronavirus pandemic. To all, and especially to the poor and the marginalized, I express my spiritual closeness and assure them of the Church's loving concern". Pope Francis
